"GREAT WINE IS ALWAYS ENHANCED BY GREAT FOOD"

Kenneth Cranham

Welcome to the Life's Kitchen Wine List for 2022

We conducted our most extensive market testing yet as part of compiling our wines list, ever mindful of the balance that must be struck between quality, consistency and value.

The vast majority of our wine is bought to be consumed as an accompaniment to the outstanding range of food served by the talented Chefs at Life's Kitchen Ltd. We'll always strive to seek out some fascinating examples of new and old-world wine that compliment our menus, whether you are attending a banquet with hundreds of fellow guests or dinner for ten.

We hope you enjoy these wines as much as we do.

We do have a separate fine wine list available on request.

FIXED PRICE DRINKS PACKAGES

Our ever popular fixed price drinks packages are ideal for larger banquets, Livery functions and for those clients working to a fixed budget. This year we've added value by enhancing the content of the Livery and Livery Plus ranges, offering a reception package that delivers outstanding value for money and ensured that our Classics package is simply that – an outstanding wine selection to accompany fabulous food in our stunning City of London Venues.

These packages are priced on the basis of fixed consumption levels of one glass and one top up of reception drinks, half a bottle of wine per person served through the meal and a glass of port. Iced water is also provided with the meal as part of those packages that do not include mineral water.

We do offer a variety of flexible ways to give the option to increase consumption levels during an event, and will work with you to create the package that best suits the needs of your function.
